**WELCOME TO UNDERCOVER FESTIVAL (VII 1/2)**

Undercover VII 1/2 presents to you a veritable feast of alternative delights collectively called "Undercover Festival"

Undercover in April has been and gone as has the summer.

For this and our last ever Undercover in March 2020 we are back to our Woking area roots at the Fiery Bird.

We have downsized from our usual events but expect an event that is as every bit special as the previous 7 Undercovers.

Without the help of a select band of friends Undercover Festival would not have been possible; to them we give our thanks.

Thanks everyone for helping us with so much including flying all sorts of weird and wonderful places, helping set up the festival and run it on the day as well and too many to mention on the small amount of space on this page but they know who they are.

Also thanks to all the bands, DJs, crew, everyone @ The Fiery Bird Woking and of course YOU.

Have a great weekend and all being well see you all in March for UCF 8 if not before

*Mick & The Crew*

Please do not bring your own food and drink into the venue it tends to p\*\*\* off the venue management.
