## WELCOME TO UNDERCOVER FESTIVAL XIII!

Undercover Festival, a genuine, small but proudly independent musical celebration of punk and alternative music including ska punk, post punk, Ska, reggae and much more.

Undercover XI Last year was a cracker and we have done our best to make this Undercover a goodun as well, plus we are back at Guildford and the cracking venue Suburbs the Holroyd. Our hope for this and many other "Undercover" Events throughout the year.

Through Covid; then the Cost of Living Crisis and the difficulties that has thrown at us we have done our best to keep the music we love alive and with your support we will continue to do so.

SO AS WE SAY AT UNDERCOVER!  
SEE YA DOWN THE FRONT  
OR THESE DAYS AT THE BAR!

Without the help of my very very patient wife Jen plus Jamie, Tash, Mikey & Eddie along with a select band of trusted friends Undercover Festival would not have been possible; to them I give my thanks!

Also thanks to all the bands, DJs, crew, everyone @ Suburbs The Holroyd, and of course YOU ...

Have a great weekend

Undercover Crew**

Janine passed away in March, in what was very vary sad news indeed.

Janine has been a part of Undercover from early doors as part of Stone Heroes or just coming along with everyone else to add her smile and contagious laugh to the events.

Undercover wont be the same without you.

Sincere condolences to Betty and the rest of Janine's family and friends
